A Symphony of Elegance, Economy and Enduring Quality

Daksha Enterprises today is a benchmark in comfort in many towns across the country over a span of two decades. Surely owing to excellent craftsmanship, elegant looks and enduring quality that is acclaimed by many top-notch architects. The company, with its insight into public taste and popular trends, coupled with a passion for turning out futuristic design and patterns, backed by relentless research and development today caters to a wide range of customers including educational institutes, hospitals, offices, residences, restaurants, cafeterias and not to mention theatres, conferences, dining halls besides an array of exclusive chairs for corporate top brass.

An unerring sense of proportion characterizes all of our designs that are simply elegant and simplistic. This aesthetic result denotes an individualistic taste that has become a permanent contribution to a developing urban culture
